

Goals of Service

- **Optimize** the supply and condition of facilities including the enhancement of cultural spaces and places
- **Increase** participation in Recreation & Culture programs among Mississauga residents, including youth and older adults
- **Promote** access and inclusion through targeted and focused efforts to include equity-deserving and underserved populations
- **Strengthen** programs and services through quality assurance systems, ensuring accessibility, fiscal responsibility and maximized use of recreation infrastructure
- **Foster** strong community partnerships to enhance recreation, sport and cultural service delivery in the City
