

## Goals of Service

- **Provide** safe conditions for all travellers by supporting hazard-free travel and striving for zero fatalities
- **Maintain** Roads infrastructure in a state of good repair through application of progressive asset management practices to achieve cost containment and value for money
- **Plan, design, and construct** an adaptable transportation network for all users and modes of transport, with a focus on creating a safe and efficient urban mobility system
- **Optimize** parking policies to recognize parking as a key tool that influences city-building, transportation choices, and economic development, while also serving residents and businesses
- **Sustain** service delivery to support housing initiatives and ensure business continuity for development approvals, and post-approval conditions and processes
